Minister Blair Cell >

As the protests continue, we are closely monitoring the impact that these disruptions are having on nearby neighbourhoods and businesses. Right now, this event remains under the purview of the Ottawa Police Service (OPS). We continue to play a coordination role between federal agencies, including the RCMP, and the Parliamentary Protective Service, and local police.

I would omit the words right now.

It implies that things could change.
It won't

Public Safety provides funding to the Ottawa Police Service every year to assist in the extraordinary costs associated to events taking place in the National Capital Region.

Yes! I've asked that Public Safety respond with information about that program.

Thank you!
